Introductions

No minutes available from the Dec. 2016 meeting
Agenda – no additions or deletions; agenda was approved

Treasurers Report (Diane): Christmas Eve parking lot fundraiser brought in \$1265. Current estimated balance is \$5353.76

Smiths: voice messages left to establish account. Smiths makes quarterly payments

La Montanita Coop: 5 year waiting list to become part of their program. They do have a “scrip” program. NMSA would get 10% return, but would have to sell \$10,000 of scrip to make \$1,000. Is an option.

\$2,500 approved for the yearbook, so need to subtract from total, so currently have about \$2,500 available to PA..

Need to anticipate payment for ACT testing for students who can't afford the testing; did this last year.

Old Business: Yearbook reminder – PA gets a percentage of any sales in yearbook that we bring in.

Razzu: Diane will work with Francis on Razzu (online fundraiser). One big webpage; kid shares with people re: activities at NMSA

Pancake B-fast: Look at end of February. Print tickets and can sell the tickets on-line.

Certain weekends are already full with activities. February 25th, 8-12:00 is good. Propose \$5 for students, \$10 for adults and \$20 for family.

Art Spring Auction: Putting stuff at Art Spring; may get a percentage of what they raise???
