Oct 6 (6 days ago)

to Sherry, me

Dear Members of the Governing Council,
I am writing to let you know that I will be moving over to the Art Institute Board and therefore with this letter I am tendering my resignation from the NMSA Governing Council.

I found after the meeting I attended in August that I do not have enough experience to add to the strong work you all are doing. I am so impressed with the depth of your understanding and knowledge of all the details, laws and regulations regarding the New Mexico Public School systems, and with all the contacts you all have within the State and the school administrations.

I look forward to continuing to work with you all from the Institute side.

Most Sincerely,
Mary Sloane
