Enter amount to be set aside for OTHER District level activities.

OtherDetail *

Approximately \$3800 will pay for a software license to use a program called Naviance. The remainder will be used for a 0.387 FTE math and reading teacher and a 0.2FTE math teacher to teach math intervention during our Academic Seminar block. More detail is included in our parent letter which was submitted as an attachment.

Describe OTHER District level activities to be supported. Include a description of how sites were selected for these activities.
