

With our 2018-2019 admissions cycle being open for 2 months, our Admissions & Outreach team continues to review outreach, recruitment and admissions processes to ensure that all is being done to reach students from across the state. The mission of access continues to be a goal of NMSA's and within admissions and outreach. We are also continuing to review how to refine our selection process to also meet the goals of access.

Completed October Outreach Events/Contacts Made:

October 2nd Fall Open House: Over 120 prospective individuals and families attended our Fall Open house with 45 students signing up for more information.

El Camino Real: 2nd Outreach event at this South Side School attended by at least 30 students with 10 interested prospective students who signed up for more information.

Teachers Night Out hosted by Santa Fe Botanical Gardens: NMSA was represented and attended by Carla Lehmeier along with at least 30 other educator vendors located in Santa Fe.

Girls Inc. of Santa Fe: Over the course of three weeks, Girls Inc. visited NMSA three times with over 55 students. Our arts departments provided arts instruction to the students in Theater, Visual Arts, and Music-Vocal. This allowed NMSA to provide arts access to younger students and provide awareness of NMSA for potential future opportunity. The last visit culminated with a trip to NDI to watch a rehearsal of Fall Dances by the Dance department.

Moving Arts Espanola: NMSA provided two - 2 hour long workshops in the Dance, Theater, Visual Arts, and Music-Percussion departments at Moving Arts in Espanola over the course of the month. These two events provided an opportunity for NMSA faculty to work with Moving Arts students who might be interested in NMSA.

Fall Dances, Friday, November 3rd Rehearsal at James A. Little Theater: Students from 4 schools in surrounding areas were bussed in to watch our Fall dances rehearsal. They include: Fairview Elementary School, Eutimio Tim Salazar III Elementary School, James H. Rodriguez Elementary School, and Los Ninos Kindergarten Center.

In Progress:

In contact with Haley's Powerhouse Academy of Dance in Roswell and working to provide a dance masterclass at their request.

In contact with NDI – Silver City (Dance) in Silver City and working to provide a dance masterclass at their request.
