State Charter School Leaders:

Greetings. I have been directed by the Public Education Commission to provide you all with the attached copy of the lottery guidance documents that the PEC adopted at its September 24, 2021 meeting.

I request that you review and update your lottery policy and websites as necessary in compliance with the guidance document *prior to* your next lottery¹.

We wanted to confirm that compliance with this lottery guidance will be considered in the scoring of the lottery section of the organizational performance framework for your school in the next site visit for the school.

If you have questions, please feel free to contact me.

Sincerely,

Patricia E. Gipson
